

PR-SS-04 Snap & Glue Magnetic Clamps (w/Adjustable Angle Arms)

Adjust the angle of outer arms and fix the wing-nut as in picture.

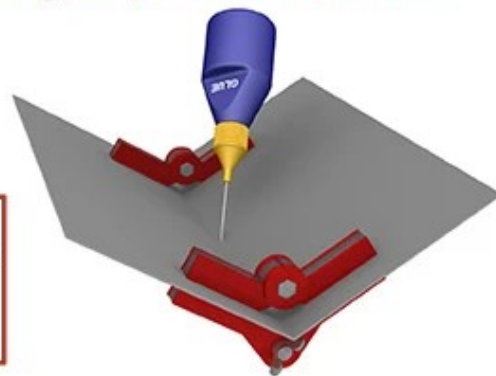

Place the parts to be glued in between the magnetic holders.

Inner arms will get into correct angle automatically.

Magnets inside the arms move freely to auto adjust the strongest positions.

**Now your one hand is free
to glue parts with ease!**

The glue is not included in the set!
La colle n'est pas incluse dans l'ensemble.
Der Kleber ist nicht im Set enthalten.
La cola no está incluido en el conjunto.
La colla non è inclusa nel set.
